# OUR STORY

Shin's International prioritizes customer satisfaction and takes pride in receiving multiple industry certifications. Shin's International is committed to providing outstanding service and maintaining close relationships with global customers.

As a clothing company, we don't just fill orders; we align with your brand's DNA. By securing premium fabrics and competitive pricing, we ensure your final product doesn't just meet market standards—it exceeds your customers' expectations.

**Our Mission:** Our mission is to lead the global apparel industry as the most trusted sourcing partner, delivering high-quality, sustainable fashion that remains accessible to brands and consumers worldwide

**Our Vision:** Our vision is to revolutionize the global fashion landscape by becoming the most reliable link in the ethical supply chain- paving the way for a future where quality and sustainability are the industry standards

**Our Values:** Our foundation is built on Radical Integrity, Absolute Accountability, Conscious Sustainability, and a Buyer-First Approach. We don't just source products; we uphold a standard of excellence that ensures every partnership is ethical, transparent, and built for long-term success.

At Shin's International, our role as a specialized buying house is to optimize and manage the entire procurement lifecycle—delivering superior-quality products engineered exactly to your technical and commercial requirements.

### Sourcing & Merchandising

Shin's International runs a specialized procurement unit aligned with our merchandising team, leveraging a strong global and local network to source premium materials to exact specifications. A dedicated account team manages the full cycle—from strategic sourcing and price negotiation to order execution and final dispatch.

### Design & Product Development

Our design team turns client specifications into market-ready concepts and original collections inspired by global fashion trends. Supported by an innovation-focused development unit using advanced techniques and fabrics, we leverage forecasts and mood boards to anticipate trends—speeding sourcing and reducing time-to-market.

### Production & Quality Assurance

Shin's International ensures premium apparel through competitive pricing, top-quality standards, and timely delivery. Our technical team manages the full production cycle, using custom SOPs and quality manuals to maintain AQL compliance and full transparency.

### Cost Optimization

We match each project with the ideal manufacturing facility to balance quality and cost. When designs exceed budgets, we offer Design-to-Cost (DTC) solutions—optimizing materials and construction to meet target FOBs without sacrificing the original design.

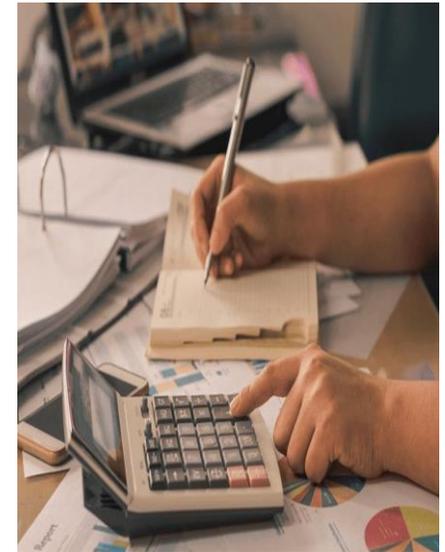

### Audit & Compliance Support

At Shin's International, we prioritize responsible manufacturing as much as product quality. Our compliance team enforces a strict code of conduct, monitors factory conditions, and implements CAPs to ensure safety and fair labor, partnering exclusively with OEKOTEX, SEDEX, GOTS, ISO, and BSCI-certified facilities.
